FOREIGN BROADCAST INFORMATION SERVICE

Of Special Interest This Week

+ At the suggestion of the PDB Staff and with the concurrence of State, FBIS prepared a "sampler package" of FBIS materials, including significant media texts and analyses, for new disarmament negotiators Kampelman, Tower, and Glitman. The package has been reviewed by the new ambassadors and their staffs, who have asked to become regular recipients of relevant FBIS materials. State Department is currently determining the best method for assuring that the disarmament negotiators receive the FBIS copy.

25X1

+ At the request of the Chairman, Joint Chiefs of Staff, an FBIS Japanese language officer provided interpretation services for General Vessey during the two-day visit of his Japanese counterpart General Keitaro Watanabe.

25X1

25X1

+ An FBIS language officer recently located the first clear, easily mensurable, open source photography of China's new submarine-launched ballistic missile. Prints and viewgraphs are being distributed to OSWR, NPIC, DIA and other components which have expressed interest.

25X1

+ FBIS Nicosia Bureau has installed a second communications line to its remote site on the south coast of Cyprus. The new link will enable the bureau to cover more than one poorly-received radio at a time and should aid coverage of the various low-strength Lebanese factional radios.
